

### Albert Camus Thoughts

The evil that is in the world almost always comes of ignorance, and good intentions may do as much harm as malevolence if they lack understanding.  
Albert Camus

The only way to deal with an unfree world is to become so absolutely free that your very existence is an act of rebellion.

A taste for truth at any cost is a passion which spares nothing.

There is but one truly serious philosophical problem and that is suicide.

All modern revolutions have ended in a reinforcement of the power of the State.

Your successes and happiness are forgiven you only if you generously consent to share them.

Men must live and create. Live to the point of tears.

Without work, all life goes rotten. But when work is soulless, life stifles and dies.

You cannot create experience. You must undergo it.

Every act of rebellion expresses a nostalgia for innocence and an appeal to the essence of being.
