Anniversary Poems

Happy Anniversary my Sweet Love!
For you, I thank the Lord above
You've given me hope, inspiration and truth
Because of you I feel never-ending youth
When heavy storms have come our

It takes two special people,
To make a loving pair.
There's a joy just being around you,
A feeling we love to share. We send anniversary wishes to you,
For years of joy and pleasure.
May each year keep getting better,
With memories to treasure.

On your anniversary,
it's time to reflect on all the joy
your marriage has brought you over the years.
Remember your wedding day?
Your wedding photos show
your affection, your passion,
the bond you feel with one another.
Since that day,
many more pleasures have come to you

because you chose to love each other.

As you reminisce,

let those fond, happy memories

strengthen your commitment

to love and care for each other...

forever.

Happy Anniversary!

Your anniversary marks the day

When you both said "I do."

The two of you became as one,

A marriage bright and new. Now time has passed; your love is strong;

You passed the early test.

Your tender bond grows with passing time;

Your marriage is the kind that's best!

There are few who are so lucky

To have the things you do,

Companionship and friendship,

And loving feelings, too. As friends we wish these pleasures

Will last forevermore,

For we know that you will ever be

A couple whom we adore

It's your anniversary,

and we admire the good role model

your marriage provides for the rest of us:

Happiness, caring, unselfish accommodation

out of affection for one another.
You two illuminate any room
with the light of love you share.
Happy Anniversary, and many more!

When I first met you all those years ago,
I fell in love so fast, I knew right then,
You were the one and only one for me;
I'd never have to look for love again. Each anniversary finds us happier;
You are my light--my moon, my star, my sun.
You show me what real love is all about,
You fill my life with pleasure, joy and fun. As time goes by, our love grows stronger still.
You're the most amazing (man/woman) I ever knew.
I prize our anniversaries because
Each year I fall in love again with you

Our wedding anniversary brings to mind
The happiness and joy you've brought to me,
Sweet memories--the laughter and the tears,
Devoted love you give abundantly. The place I want to be is close to you;
There's ecstasy and peace in your embrace.
I know that I can cope with what life brings,
As long as I wake up to see your face. You're all I ever wanted, and much more.
I look at you and I still get a thrill.
Our marriage is the best thing in my life;
I love you deeply, madly, and I always will

Dear one...that's what you are to me.

Years ago when we met, I fell in love with you.
Nothing has changed;
I love you still...more than ever.
When you're not near me, I feel an emptiness
that I can't seem to fill.
When you are near, I feel complete.
I cherish your love and companionship
and always hope to please you.
I always wish for your happiness,
for I love to see the sparkle in your eyes.
I never imagined that someone could be
as important as you are to me.
Please stay near
and love me as I love you.
