Chocolate Day Thoughts

Love is like a chewing gum,
it tastes only in the beginning!
But friendship is like chocolate,
it tastes till it ends!
Happy Chocolate Day to my sweet heart.

Life is like a chocolate box,
Each chocolate is like a portion of life,
Some are crunchy, some are nutty,
Some are soft, but all are DELICIOUS.
Happy Chocolate Day to my love one!

Today is chocolate day,
Dairy milk 4 love,
Perk for friends,
Kit Kat for best friends,
Polo for hatred,
And mentos for cool persons,
what do you choose 4 me
Best Wishes on Chocolate Day.

Lovely chocolate and Lovely u,
And Lovely are the things you do,
But the loveliest is the friendship of the two,
One is Me and Other is u!
