## Good Night Sms For Friends

Good night my very special friend,  
I pray you lay in rest,  
And may tomorrow bring you,  
Much love and happiness.  
Do not think of me...  
i m in ur eyes.  
Good Night

---

Let the most beautiful dream come to u tonight  
Let the sweetest person come in ur dream tonight  
But don't make it a habit bcoz I'm not free every night

---

Dream touches your heart and soul.  
It is a magical memory that unites fantasy and reality.  
Hope you'll have the sweetest dream tonight...  
GoodNight!

---

A special face,  
A special smile,  
A special someone,  
A special hug from me to u,  
A special person,  
I found in u,  
Sweet Dreams & Good Night!

When an angel came to me,  
he asked: "What is your wish for tonight?"  
I said "Please take care of the  
person who's reading this message."  
Good night!

---

GOD never takes a day off to  
love  
care  
guide and  
protect  
us in every moment of our lives  
may his presence be with you  
today and always  
GOOD Night

---

As U go 2 bed tonight,  
I ordered bats 2 guard U tight.  
I told some ghosts to dance in white,  
And 2 make sure Ur alright,  
I'll ask the Dracula 2 kiss Ur neck.  
Goodnight.

---

On this cold night,  
In my small small room,  
I look at the bright bright stars,  
In the dark dark sky  
And dream of your sweet sweet smile  
On Ur cute cute face.  
Good Night!

Sun is upset and moon is happy,  
Bcoz sun is missing U,  
And moon is gonna be with U,  
For rest of the night,  
Have a wonderful night.

My Math teacher told me  
1 Hour=60 Mins and  
1 Min = 60 secs.  
but she never told me 1 sec without a FRIEND like you is equal to 100 years.  
Miss you,  
Good Night,  
have a sweet dreamIf u feel little bored,little sick,little sad,all lost,  
U know whats wrong?  
U r suffering from lack of Vitamin 'ME'

Good Night
