## Hug Day Thoughts

Sometimes a hug speaks volumes  
When someone's feeling low  
And more then words are needed  
To set a heart a glow.

My sweetest memory-UR message.  
My biggest sadness-The distance  
My biggest hope-i will HUG you soon  
My strongest prayer relation continues forever.

In your arms I feel so great  
The warmth  
The love  
Best place is in that state  
Love me  
Hold me  
Kiss me  
Hug me

1 2,  
I Love You,  
3 4  
Love Me More,  
5 6  
Give Me Kiss,  
7 8  
Don't Be Late,  
9 10  
Hug Me Then

Life is a bug at times  
For those times and always  
Here's a HUG from  
Me to say ...  
Don't worry  
Be happy on this Hug Day!

Tears can sometimes be more special than smiles..... For smiles can be given to any one but tears are only shed for people we Hug.

Since ur eyes are looking tired  
Let ur eye lashes hug each other for few hours.  
Happy Hug Day to my dear one.

You can't wrap love in a box,  
But you can wrap a person in a hug.  
A hug charms, warms  
And makes everyone happy.  
That must be why God gave us arms.  
So here is a hug for you.

Alone? I'll be ur shadow.  
Want to cry? Here's my shoulder.  
Need a hug? I'll hold you tight.  
Bcoz where ur strength ends,  
My worth of being ur love begins.

Cutest proposal ever by a boy of 5th standard-  
Boy- Do you hug ur teddy bear while sleeping at night??  
Gal- Yes!  
Boy- Can I replace it for the rest of ur life?? 🍌
