3. Never forget the person who lost everything just to make you win in your life.
4. Wishes some people realised parenting is 24/7 not just when it's convenient, once you have kids, they come first. Always.
5. Parents need to teach their children principles of respect and acceptance.
6. A mother is not a person to lean on but a person to make leaning unnecessary.
7. Would just like to take the time to congratulate my parents for having such an amazing daughter.
8. Never forget the person who was with you in every pain in your life.
9. Your fades, love droops the leaves of friendship fall. A mother's secret love outlives them all.
10. Love, honor and respect your parents. God only gave us this one chance in a lifetime to have them to love and cherish, thank you God for mine.
