## Sisters Day Thoughts

A Prayer:  
To Bless Her Way,  
A Wish:  
To Lighten Her Moments &  
A Text:  
To Wish Her A Good Day.  
Happy Sister's Day Dear Sister.....

If u need a shoulder 2 cry on I ll b there  
I am there when u r sad and lonely  
Or wen your in pain  
Glad I can help u wen u r feeling gray  
I m thankful to u that u are my sister.Wishing u the best sister day

Those are the same stars, and that is the same moon, that look down upon ur brothers and sisters, and which they see as they look up to them,though they are ever so far away from us, and each other.Happy Sister Day.

Sisters is probably the most competitive relationship within the family, but once sisters are grown, it becomes the strongest relationship. Happy sister day sis.....

Here's to us! Happy Sister's day.

Even we've the worst fights, You always know how to fix things  
Thanks for being the greatest sister ever. Have a wonderful sister day!
